

WOLF WEAR

or how the Werewolf became a thing

Little Red was my first. So easily charmed by the Sweet Sheep costume. Little Red saw her as a grand motherly type and felt quite safe. Those woodland adventures that turned out grim for some going on since the adventure of time began. A one upsmanship of foolery. Were a days work for the a crampli Shed. But when THE MOON WAS FULL...

When the moon was full it was time to change does that mean from day wear to evening wear? or from predator to pacifist or from omnivore to plantovore. You decide

WHOS CLOTHING? SHOULD IT BE... TODAY
